

Caudwell's Mill, Derbyshire, and flour roller-mill machinery

Acquisition of the mill and its machinery. Caudwell's Mill in Rowsley, Derbyshire, is one of the few water-powered roller mills left in Britain, and is unique in illustrating the transition from small-scale rural milling to the more intensive and mechanised techniques that succeeded it.

Nation/region

East Midlands

Grant awarded

£6,000

Award date

19/03/1981
